FOR IMMEDIATE RELEASE

State Route 1 (Pacific Coast Highway) Closures for Paving Work

Crews removing and replacing asphalt on sections of northbound Pacific Coast Highway

MALIBU – The California Department of Transportation (Caltrans) plans to close a portion of State Route 1 (Pacific Coast Highway) in the city of Malibu next week for paving work.

Starting Monday, March 5 and concluding Wednesday, March 7, the No. 2 lane (slow lane) on **northbound** Pacific Coast Highway will be closed from Morning View Drive to the Los Angeles/Ventura County line between 7 a.m. and 5 p.m.

One lane will remain open at all times. Southbound lanes will remain open while the work is underway.

During the closure, crews will be removing and replacing asphalt and concrete slabs along different sections of northbound Pacific Coast Highway.

The closures are weather permitting and subject to change depending on the progress of the work.

The work is part of a pavement preservation project for various sections of Pacific Coast Highway along a 16-mile stretch between Malibu Lagoon and the Los Angeles/Ventura County line.

The contractor is All American Asphalt of Corona, Calif.

The estimated completion date for the project is June 2018.
